Stanly Health Foundation Awards \$6,000 in Scholarships for 2023

Gavin Olivieri

Students had two opportunities to apply for scholarships in 2023 from the Stanly Health Foundation to support their studies in healthcare.

The Stanly Health Foundation Roy and Lou Hinson Scholarship was awarded to Gavin Olivieri of Albemarle. Gavin is working toward a Bachelor of Science Degree in Exercise and Sport Science at UNC Chapel Hill. After graduation, he plans to continue his education by pursuing a Master of Health Administration degree. He would like his career focus to include improving operations in healthcare settings.

To be considered for the Hinson Scholarship, a student must be an Atrium Health Stanly teammate, the dependent of a teammate, or a resident of Stanly or Montgomery Counties and have completed at least sixty hours of undergraduate study by the end of the spring 2023 semester with a cumulative undergraduate GPA of 3.2 or higher. The student must be accepted into a healthcare program of study for either undergraduate or graduate school.

The Hinson Scholarship celebrates the late Roy Hinson's forty-one years of dedicated service to the local hospital, and his wife, Lou, who is retired from public education and provided many years of volunteer support to the Roy M. Hinson Cancer Center.

The Stanly Health Foundation C.B. Crook Family Scholarships for 2023 was awarded to Ashley Cody and Hailey Caudle. Ashley Cody is attending Pfeiffer University and will graduate with a Bachelor's of Science in Nursing degree. She is a teammate in the Medical-Surgical department at Atrium Health Stanly. Ashley plans to continue her education by pursuing an MSN and becoming a pediatric nurse practitioner in Stanly County. Hailey Caudle is studying to earn a bachelor's degree in psychology from Pfeiffer University. Her plans include continuing her studies to become a therapist. She hopes to practice in Stanly County.

Ashley Cody

To be considered for the Crook Family Scholarship, a student must be from Stanly or Montgomery Counties or be an Atrium Health Stanly teammate and have completed sixty hours of undergraduate study by the end of the spring 2023 semester with a cumulative undergraduate GPA of 3.2 or higher. The student must be accepted into a healthcare program of study for either undergraduate or graduate school.

The C.B. Crook Family Scholarship honors the years of philanthropic work by the late C.B. Crook and his wife, Betty. "The Crooks have been leading donors to the Stanly Health Foundation since it was first organized in 1990," stated Jane Boone, Executive Director of the Foundation. "C.B. led the Foundation's Stanly Society for more than 20 years and Betty continues to support the Foundation's efforts to improve the health of our community."

Help for financially needy patients going home from the hospital

Stanly Health Foundation is pleased to partner with Atrium Health Stanly's Clinical Case Management team through grants that provide medications, personal medical devices, and disease self-management supplies to financially needy patients being discharged from the hospital.

The Clinical Case Management team collaborates through a process of assessment, planning, facilitation, care coordination, evaluation, and advocacy to meet patients' and families' comprehensive health needs. Through communication and knowledge of available resources, case managers promote quality, cost effective outcomes for their patients.

The Foundation grant that provides the medications and supplies for low-income patients has been active for over a decade, providing more than \$215,000 in assistance and providing peace of mind for countless patients.

Atrium Health Stanly Case Manager, Tara Hunt, reviews discharge plans with a patient.

Play Fore the Cure has a banner year!

Piney Point Golf Club played host to over eighty-four golfers on Thursday, May 18 as our annual Play Fore the Cure Golf Tournament took to the course, raising funds for our free mammogram program. From the picture-perfect weather to the "air cannon off the tee" game, it was a day filled with fun, fellowship, and philanthropy. The Foundation is grateful to each of the players and sponsors who make this tournament a success and we are thankful to be able to continue to offer this crucial program in our community. Early detection truly saves lives!

Since Stanly Health Foundation's very first grant over a decade ago, which put a community health educator to work in our schools, donations from individuals and corporations - like the ones listed above - have provided over \$4.5 million dollars in funding for programs and projects that make a tangible difference in peoples' lives every single day.

As the health needs presented to the Foundation continue to grow, the generosity of the Annual Sponsors becomes more and more important; providing a solid base supporting meaningful healthcare programs that substantially change the course of people's lives.

On behalf of the thousands of local people served each year through Foundation projects and programs, the board and staff of Stanly Health Foundation extend their heartfelt thanks to the Annual Sponsors whose donations truly make stories of hope and healing come to life!

Celebrating the life of a loved one with a gift to the Stanly Health Foundation is a special way to remember or honor them. These gifts impact the health of our community and its future - truly a timeless gift.

A card acknowledging your gift will go to the person you have honored or to the family, in the case of a memorial gift. The amount of your gift is never disclosed.

To make a gift, call 980-323-4096 to give by credit card or mail your gift to Health Foundation, PO Box 254, Albemarle, NC 28002.

THE STANLY SOCIETY

Improving community health for more than thirty years

Every day, the Foundation celebrates the collective impact and engagement of Stanly Society members; an inspired group of committed philanthropists. Stanly Society members' gifts work together to support and improve the health journeys of everyone in our community.

The Foundation is tremendously grateful for the positive, lasting contribution made by Stanly Society members through the years. If you'd like to know more about joining this distinguished leadership circle of giving, please contact Jane Boone, Executive Director at 980-323-4570; Catherine Moeller, Stanly Society Chair, or committee members Ellen Snyder, Casey Greene, Karmen Russell and Alice Whitley.

Teammates, Trucks, and Treats President's Club Week 2023

Atrium teammates had a foodie-filled week as the Foundation hosted their annual President's Club (PC) week June 12-15 with a "Teammates, Trucks and Treats Food Festival."

PC week kicked off with gourmet coffee from the Pour Farmer and each day after featured these delicious treats: New York style pizza from Vito's; burgers and fries from teammate favorite, Nor'east Treats and Eats; and the ever-popular small batch ice cream sandwiches from Simply Scrumptious! It was a delightful week celebrating another successful year of generous teammate giving.

President's Club members donate one-half hour's pay per pay period to Stanly Health Foundation to help fund projects and programs in partnership with Atrium Health Stanly to improve the health of our community. The Foundation is grateful for the 225 teammate PC members who donate through the President's Club through payroll deduction. Every contribution makes a difference right here at home.
