Dancing Around the Globe!

The audience was taken on a whirlwind trip around the world through dance at this year's 11th Annual Dancing with the Stars, which raised a record total of \$133,347 for the Butterfly House Children's Advocacy Center. After months of practice and fundraising, the dance duos transported viewers from the United States and Europe to Australia and India, with their themed routines which kept folks entertained and cheering for more.

This year's teams took on a wide range of fundraising efforts including weekly yoga in the park, car shows, dinners, restaurant percentage nights, music trivia, a golf tournament, a softball tournament, and countless other endeavors. As always, the support of our community proved to be tremendous.

This year's participants were Alex Escoto & Jennifer Rummage, Kelly Earley & Mike Hatley, Candice Jordan & Mitchell Whitesell, Chad Drye & Maddie Medlin, Crystal Gaddy & Paula Graham, Rebecca Huneycutt & Travis Price, Christy Tietgens & Joshua Morton, III, Shayla & Tyler Lowry, Savanna & Kellen Rankin, and Jared & Susan Dennis.

With numerous sponsors, distinguished donors, and a lively audience, it proved, once again, to be one of Stanly County's favorite evenings.

This year's winners were:

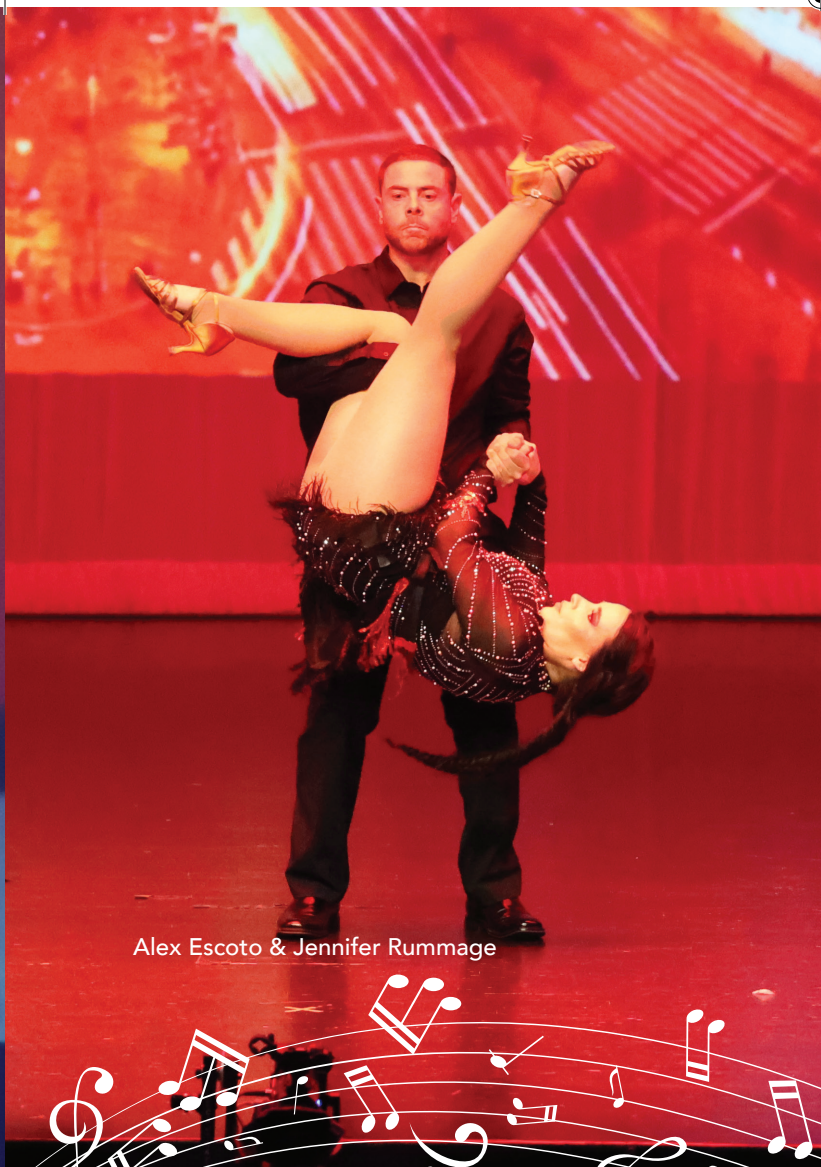

- Highest Fundraising Winner – Rebecca Huneycutt & Travis Price
- Fundraising Runners-Up – Candice Jordan & Mitchell Whitesell
- Fundraising Second Runners-Up – Christy Tietgens & Joshua Morton III

- Judge's Choice Winner – Shayla & Tyler Lowry

Daniel Harkey wins Pinnacle Award

Daniel Harkey, with his family, after being surprised by the Pinnacle Prize Patrol!

The Pinnacle Award is the highest honor a teammate can receive at Atrium Health for making an extraordinary impact on teammates, patients and the communities they serve. This year, Daniel Harkey, Community Health & Wellness Manager at AH Stanly was nominated by Stanly Health Foundation Executive Director Jane Boone to recognize him for the programs he leads, many of which are supported by your donations to the Foundation.

This year, more than 1,000 nominations came in from all the states served by Atrium Health. Of these, 97 were chosen as finalists, but only 20 were chosen as Pinnacle Award Winners and Stanly's community health champion, Daniel Harkey was one of the 20 winners!

Daniel provides monthly lessons in his program "Passport to Health" for 4th grade students in all Stanly County Schools on how to live their best, healthy lives.

As an extension of Passport to Health, Daniel also leads the "Passport Outdoor Program," a wildly popular hiking opportunity for fourth and fifth graders and their families at Morrow Mountain State Park. Daniel also visits senior citizen nutrition sites weekly leading participants in exercise, breathing and meditation, and teaches the importance of reading nutrition labels and cooking healthy, easy meals for one or two people and so much more. Back on campus, you can find Daniel leading diabetes group classes and working individually with diabetes patients to help them reach their health goals and live better lives.

"Daniel Harkey has been passionately improving the health of children and adults from all walks of life on behalf of Atrium Health Stanly since 2012. Daniel's enthusiasm for living a healthy life is genuine, contagious, and fully inclusive - he embodies the "for ALL" mission in his work every single day," stated the Foundation's Jane Boone. "Daniel's drive for excellence in all that he undertakes is an inspiration to teammates, patients, students, teachers, and community partners. When Daniel sees an opportunity to help a different segment of the population or a better way to reach his current patients, he never stops innovating his programs. We join with Atrium Health Stanly in congratulating Daniel - our community is a much better, healthier place because of his energetic dedication."

Hospital, Foundation, and Parks & Recreation Partner to Build New Playground

Representatives from Stanly Health Foundation, Atrium Health Stanly, the City of Albemarle, and Albemarle Parks and Recreation cut the ribbon on a new playground at the EE Waddell Center.

Recently, the Atrium Health Stanly Diversity, Equity and Inclusion teammate council requested a grant from the Foundation to build a playground in an underserved/financially needy neighborhood. The grant was approved, and AH Stanly, Stanly Health Foundation and Albemarle Parks and Recreation created a partnership to identify the area of greatest need. The EE Waddell Center was chosen and an environmentally friendly playground company was selected to do the installation of new equipment.

The ribbon-cutting for the new playground was held in September and the new equipment is now being enjoyed by children, families, and programs using the Waddell Center. Children are reaping the benefits of outdoor physical activity while enjoying an opportunity to learn key social skills such as sharing. Parents and grandparents also have the opportunity to socialize, bond and create social networks while watching their kids.

Children enjoy testing out the new playground equipment at the EE Waddell Center.

Stanly Health Foundation Welcomes Two New Board Members

Amy Shelton

Amy was born and raised in Stanly County. She graduated from UNC-Charlotte in 1988 with a BS in Human Services and Public Relations and from Pfeiffer University in 1990 with a BA in Education. Amy is married to Stan Shelton, who she has known since elementary school. Amy works for her family's business in New London, H.W. Culp Lumber Company. She enjoys traveling with her family and friends, snow skiing, reading, and decorating. Her most valued possessions are her family which includes son Grayson and wife, Hannah, son Reese and wife Katie Paige, and daughter Camille and fiancé, Chasen Parrish.

Faith McSwain

Stanly County has always been home for Faith McSwain. She attended New London Elementary School and graduated from North Stanly High School. She loves our small-town and has developed many wonderful relationships in this community. She has been married to Matthew McSwain for 20 years, and they have 3 children: Dajha, Elijah, and Anya. Faith has loved learning from a young age and received degrees from Catawba College, Stanly Community College, and Winston Salem State. She has continued her love of learning by working as a school nurse in Stanly County Schools for 16 years.

Angels, Bells, and Holiday Cheer

The Foundation, Stanly radiologists, and Atrium teammates once again set into motion lots of holiday magic with the annual Holiday Cheer event featuring cake pops, hot cocoa, and giving hearts to provide gifts to those in need.

Our AH teammates transitioned into “elf mode,” shopping with funds generously provided by Drs. Gusmer, Green, Wilkerson, and Perry - bringing Christmas joy to over sixty-seven children and sixty senior adults. This long-standing tradition is a favorite among our teammates, promoting the spirit of giving during the holiday season.
