Stanly County Dancing with the Stars Hits a High Note with Motown-Themed Event!

The 2024 Stanly County Dancing with the Stars brought Motown magic to the stage, delivering an unforgettable night of music, dance, and community spirit, all for a great cause. With soulful performances and dazzling routines, this year's event raised an impressive \$133,514 to support the Butterfly House Children's Advocacy Center.

Since its debut in 2012, Dancing with the Stars has raised over \$1.2 million, ensuring that the over 250 children served annually by the Butterfly House receive exceptional care in a safe, nurturing environment close to home.

Congratulations to the 2024 winners who rocked the Motown theme:

- Judges' Choice Award Winner: Summer & Jacob Todd
- First Runner-Up Judges' Choice: Kate White & Cade Whitley
- Second Runner-Up Judges' Choice: Peyton Hatley & Ryan Steele
- People's Choice Award (highest fundraiser): Lorie Lisenby & Kyle Ziebarth
- First Runner-Up People's Choice: Kelly Morgan & Ashley Hartsell
- Second Runner-Up People's Choice: Allison Hudson-Mingle & Corey-Beth Travaglini

Thank you to the community for continuing to support this important cause and for ensuring that the Butterfly House continues its crucial work for children and families in need.

Dancers and audience celebrate the grand total.

Our winning dance teams!

All dressed up and ready to take the stage for a great cause.

Stanly EVS Team Stands out among NC hospitals!

The Foundation is proud of the fantastic job our Environmental Services (housekeeping) team does at the hospital. Recently, Atrium Stanly received recognition from Becker's Hospital Review (the national trade magazine which collects, reviews and analyzes data covering the medical industry). Becker's awarded Atrium Stanly its highest 5-Star rating for cleanliness – making it one of only three hospitals in North Carolina to achieve this distinction. Congratulations on this extraordinary accomplishment!

Something else that is remarkable about our friends in Environmental Services is their commitment to giving back. Year after year, our EVS teammates consistently donate to the Foundation with one of the highest participation rates among all the departments at the hospital. Thank you EVS teammates, for your dedication to patient care and your generous support for the health of our entire community.

You are truly amazing!

Members of the award-winning Atrium Health Stanly Environmental Services Team take a quick break from making the hospital five-star clean!

Atrium Health Stanly and Stanly Health Foundation Partner for 16th Annual Diabetes Walk & Health Fair

Over 175 people attended the 16th Annual Diabetes Walk on November 9th which was held at the EE Waddell Center from 9am – 11am. The event was co-sponsored by Stanly Health Foundation and Atrium Health Stanly. The goal of the Annual Diabetes Walk &

Health Fair is to bring awareness and support to those people in our community who are managing diabetes and living healthy lives every day. More than 50,000 people are diagnosed with diabetes each year in NC.

Participants at the event had the opportunity to take a 20-minute chair exercise session and walk laps around the walking track with family and friends to the upbeat tunes of DJ Joey Gathings. Pre-registered participants also received a free t-shirt designed especially for the event and earned tickets by participating in exercise sessions for door prizes like a meal prep kit, crockpot, air fryer, home exercise equipment, and a \$100 shopping spree with Daniel Harkey to learn

about healthy food choices.

There were 22 different vendors at the event offering participants valuable resources and information on diabetes management.

Christmas Cheer

The holiday tunes were flowing (along with the hot chocolate) as teammates gathered around the Christmas tree in November to choose the names of nursing home residents and children to do a little secret shopping for them!

Each year, the generous radiologists at the hospital—Drs. Gusmer, Green, Wilkerson, and Perry—partner with the Foundation and hospital teammates to bring Christmas joy to financially needy children and older adults in our community. The Foundation has been coordinating the logistics of a version of this gift-and-toy drive for 20 years with the radiologists joining in and taking it up a notch with their very generous donations 19 years ago.

As in previous years, the radiologists provided the funding to purchase toys, books, bikes, clothes, personal items, and more for dozens of children through SCCM's Helping Hands program, and for every resident at Stanly Manor while the hospital teammates did all the shopping—carefully selecting special items for their chosen recipients, often going above and beyond by contributing additional funds from their own pockets. It's a magical tradition that brings joy to both the givers and the receivers alike.

For the past 19 years, Dr. Peter Gusmer, radiologist, and Jane Boone, Foundation director, have collaborated with teammates to bring the Christmas Cheer program to life for financially needy children and senior citizens.

Foundation Grant Brightens the Lives of Stanly Manor Residents

For many years, Stanly Manor has received an annual grant from the Stanly Health Foundation, which allows residents—regardless of their socio-economic background—to enjoy small treats and community outings. These opportunities include visits to local restaurants and participation in various community events.

Additionally, residents have the chance to join lunch groups that feature special take-out meals from nearby eateries. The Foundation's grant has also funded recreational activities, provided bingo prizes for residents, and helped purchase themed party supplies to celebrate special occasions. These activities significantly enhance the quality of life for nursing home residents at Stanly Manor.

At this time of year, Atrium Stanly radiologists and teammates team up with the Foundation staff to “adopt” every resident at Stanly Manor and provide big bags of Christmas goodies to one and all. It's the most wonderful time of the year!

IN HONOR OF

Will's Place
by Peter Edquist

Celebrating the life of a loved one with a gift to the Stanly Health Foundation is a special way to remember or honor them. These gifts impact the health of our community and its future - truly a timeless gift.

A card acknowledging your gift will go to the person you have honored or to the family, in the case of a memorial gift. The amount of your gift is never disclosed.

To make a gift, call 980-323-4096 to give by credit card or mail your gift to Health Foundation,
PO Box 254, Albemarle, NC 28002.

Huge thanks to our Annual Sponsors!

We are truly grateful to these businesses in our community for their support of local healthcare. Your investment makes a difference in the health and well-being of Stanly County residents every day.

Stanly Health Foundation Announces Two Scholarship Opportunities for 2025

College students pursuing health care careers will have two opportunities to apply for scholarships awarded by the Stanly Health Foundation in 2025.

The Stanly Health Foundation Roy and Lou Hinson Scholarship will provide up to \$2,500 to help defray the cost of tuition for an Atrium Health Stanly teammate, the dependent of a teammate, or a resident of Stanly or Montgomery counties who will have completed at least half of their degree requirement by summer 2025 with a cumulative undergraduate GPA of 3.2 or higher. The student must be accepted into or currently enrolled in a healthcare program of study.

The Hinson Scholarship celebrates the late Roy Hinson's forty-one years of dedicated service to Atrium Health, and his wife, Lou, who is retired from public education and provided many years of volunteer support to the Roy M. Hinson Cancer Center.

The Stanly Health Foundation C.B. Crook Family Scholarship will provide an award of up to \$5,000 to help defray the cost of tuition for an Atrium Health Stanly teammate, the dependent of a teammate, or a resident of Stanly or Montgomery counties who will have completed at least half of their healthcare degree requirements by summer 2025 with a cumulative undergraduate GPA of 3.2 or higher. The student must be accepted into or currently enrolled in a healthcare program of study.

The Crook Family Scholarship honors the community involvement of the late C.B. Crook and his wife, Betty. "The Crooks have been leading donors to the Stanly Health Foundation since it was first organized in 1990," stated Jane Boone, Executive Director of the Foundation. "C.B. served as chairman of our major donor circle, the Stanly Society, for over twenty years until his death in 2016."

Complete details, criteria and applications are available on the Foundation's website www.stanlyhealthfoundation.org, or by contacting Amy Jones at 980.323.4096 or amy.r.jones@atriumhealth.org.

Stanly Health Foundation Board of Directors

Stanly Health Foundation owes much of its success to the vibrant leadership of its board members over the past thirty-four years. The legacy of dedicated directors makes our local communities stronger and healthier for everyone.

Pictured top to bottom: Alice Whitley, Todd Swaringen, Ashley Wall, Manuel Ubaldo, Lauren Huneycutt, Marietta Abernathy, Faith McSwain, Tracey Hayes, Casey Greene, Chris Vaughn, Jane Boone, and Ellen Snyder. Not pictured: Aaron Elkins, Ron Burris, Wendy Holbrook, Mike King, Margaret Rudisill, Amy Shelton, and Mindy Turner.

Stanly Health Foundation welcomes three new board members

Kevin Taylor

Kevin grew up in Walkertown, NC, and holds degrees from Wake Forest University, Princeton Theological Seminary, and the University of Cambridge (PhD). An ordained United Methodist pastor, he serves as the pastor of First Baptist Church Mt. Gilead, NC, and is an adjunct instructor at Wingate University in Religion and Philosophy. His wife, Jenny Hinson, is a physician hospitalist at Atrium Health Stanly, and they have three teenage sons. He enjoys reading, science fiction, and his extensive board game collection (150 games and counting).

Pam Gaddy

Pam was born and raised in Anson County. She completed her bachelor's degree in nursing at UNC-Chapel Hill and her master's degree in nursing and healthcare administration at UNC-Charlotte. She has been a nurse for 27 years, primarily in leadership positions in Stanly and Montgomery counties. She is currently the Nurse Manager for Levine Cancer Institute at Atrium Health Stanly. Pam lives with her husband and 4 sons in southern Stanly County.

Rich Schaefer

Rich and his wife, Janet, moved to New London in 2005 when he retired from a career in marketing with Procter and Gamble and then Abbott Laboratories. A graduate of Trinity College, Rich also earned an MBA from Dartmouth. Always active in the communities in which he has lived, Rich has served on several not-for-profit boards in both Ohio and North Carolina including an earlier term on the Stanly Health Foundation board of directors. Rich enjoys tennis, golf, bridge, and spending time with his grandchildren in Belmont and Chapel Hill in his free time.

Give a little. Help a lot.

Your donations will help improve cancer care right here at home.

Please take a minute to read the letter on the facing page and be part of the expansion and renovation of the cancer center at Stanly by mailing your donation in the attached response envelope. All donors names (unless requested otherwise) will be recognized in the next VISIONS Foundation newsletter.

We're almost there. Your gifts will make the difference.

Dear Friends of the Foundation,

As the health of our community continues to be the singular focus of the Stanly Health Foundation, we are currently prioritizing the work of the Roy M. Hinson/Levine Cancer Institute (LCI). Think for a minute about the people in your life who have had cancer and those you know who are actively in the throes of fighting cancer. No one is untouched by the reach of a cancer diagnosis.

Twenty-five years ago, our community came together around the promise of high quality, patient-centered cancer care close to home and the Roy M. Hinson/Levine Cancer Institute was created. Today, we face a sobering reality: Stanly County ranks seventh in North Carolina counties for new cancer cases. The infusion side of the cancer center averages 110 patient visits per week – an increase of **13%** in the last year alone. To carry on the commitment to high quality, patient-centered care, we need your help to expand this space of care and healing to meet the needs of cancer patients in our community.

Our oncologists and staff continue to provide expert, compassionate cancer care to patients - all while juggling ongoing and increasing space restraints. With your help, we can alleviate these unnecessary burdens, allowing staff to focus exclusively on patient care and treatment. Your donation will:

- **Expand the number of treatment bays from 9 to 14 and elevate privacy in the infusion area.** The need for private conversations among families and nurses, and the desire for privacy during the grueling treatment process, make it essential to re-configure and expand this space.

- **Increase office space for the care team.** The doctors will have their own offices for the first time. Four additional key team members (two RNS, the nurse navigator and social worker) will be able to move back into the cancer center and have more time with patients and family - instead of running back and forth to their temporary offices across the hospital campus.

- **Double the number of exam rooms.** Having less than half the number of exam rooms needed means less efficiency for doctors and nurses as they care for their patients.

- **Improve speed for lab results.** During chemotherapy, patients have blood work with every visit. Lab specimens are rushed to the hospital to be processed often slowing office visits and delaying infusions. This expansion will streamline and significantly speed up lab results.

Stanly Health Foundation has commitments for 80% of the \$4.96 million needed for the cancer center project, but now we need your help. Please use the envelope enclosed to donate today to make this expansion a reality. Your generous donation will create a much-improved healing environment for our neighbors and friends battling cancer.

Thank you,

A handwritten signature in cursive script that reads "Jane".

Jane Boone
Executive Director

STANLY SOCIETY WELCOMES NEW MEMBERS

The Stanly Health Foundation's leadership giving circle makes a significant impact on local health care by bringing together individuals and couples in our community who wish to advance local health care through contributions of \$10,000 or more. These generous philanthropists support the Foundation's mission to create a healthier community for everyone. With great appreciation, the Stanly Society welcomed the following new members in 2024:

- Terry and Kim Davis
- Dr. Kevin Taylor and Dr. Jenny Hinson
- Scott and Shannon Thomas
- Alice Whitley
- Casey Greene and Lynn Plummer
- Larry McGuire and David Cartrette

The Stanly Society features four giving levels:

- **Patrons: Donors who contribute \$25,000 or more**
- **Visionaries: Donors who contribute up to \$20,000**
- **Sustainers: Donors who contribute up to \$15,000**
- **Charters: Donors who contribute \$10,000**

If you would like to learn more about supporting the Stanly Health Foundation's mission through membership in the Stanly Society, please contact Jane Boone at 980-323-4570 or jane.boone@atriumhealth.org. You can also reach out to any member of the Stanly Society Committee for more information: Catherine Moeller, Chair; Alice Whitley, Ellen Snyder, and Casey Greene.
