Community Partnership Creates Outdoor StoryWalk!

A recent collaboration between partners Stanly Health Foundation, Atrium Health Stanly, Albemarle Parks & Recreation, the Stanly County Library, and Stanly County Partnership for Children resulted in the permanent installation of a StoryWalk outdoor reading experience at City Lake Park.

A StoryWalk is a literacy and movement project that involves displaying an illustrated children's book along a walking route, where each page is presented on a separate post along the path. This allows readers to follow along with the story while walking, promoting both literacy and physical activity – and it's all free for everyone to enjoy. New stories replace the old ones every few months keeping participants engaged.

Atrium Health Stanly Executive, Marietta Abernathy and Stanly Health Foundation Executive, Jane Boone stand at the start of the new StoryWalk trail at City Lake Park.

Since awarding its very first grant, the Stanly Health Foundation has directed more than **\$7.1 million** in donations from generous individuals and corporations—including those listed here—toward programs and projects that bring powerful stories of **hope and healing** to life right here in our community.

As the health needs of our region continue to grow, the support of our **Annual Community Partners** becomes more vital than ever. Their generosity helps ensure that thousands of local residents receive the care and services they need each year.

On behalf of everyone whose lives have been touched, **the board and staff of the Stanly Health Foundation** extend their deepest gratitude to our **Annual Community Partners**. Your continued support is making a lasting difference, one story at a time.

Play Fore the Cure Raises Funds for Free Mammogram Program!

It was the perfect spring day to enjoy the sunshine on the golf course while raising funds for a key, life-saving program. The Stanly Health Foundation's annual Play Fore the Cure golf tournament made its return to Tillery Tradition Country Club this year, greeting participants with sunny skies, lush greens, and a group of enthusiastic golfers eager to make a difference. Proceeds from this tournament benefit the Foundation's free mammogram program for uninsured women in our community. The Foundation was honored to have 72 players, all united by one common goal: saving lives. Thanks to their support, over \$30,000 was raised to ensure that vital screenings are accessible to local individuals who might otherwise go without.

Lisa Eaves, Margaret Rudisill, Matt Davis, and Ellen Snyder enjoy a fun day on the links!

Bo Davis and David Arnold, of Bearing Insurance, our Longest Drive sponsors, with Jane Boone, Executive Director, Stanly Health Foundation.

Kim McGowen, Foundation Development Officer, with our generous lunch sponsors, Lynn Norman and Christy Tietgens, of Lake Tillery Properties.

Congratulations to our Putting Contest winner, sponsored by Elle Luna Interiors and Fifth and College Tile and Design Co.

Tournament participants just before teeing off.

The Foundation is so grateful to our tournament sponsors, making a difference in the lives of so many.

Outdoorsman's Bonanza: New Venue, More Fun!

The 2025 Outdoorsman's Bonanza found a new home at the Farm Bureau Livestock Arena in Albemarle, where patrons enjoyed the spacious covered areas, making it the perfect setting for this beloved event. A record number of attendees gathered to soak in the beautiful weather, engage in fantastic fellowship, and participate in the exciting drawings from an amazing prize catalog.

Scenes from the 2025 Outdoorsman's Bonanza

Proceeds from the 22nd annual event benefit the Albemarle Downtown Development Corporation, Stanly County Shrine Club, and the Stanly Health Foundation. These funds support a range of life-changing programs, including the Passport to Health initiative in local schools, disease management classes for newly diagnosed patients, prescription and transportation assistance for financially needy patients, and the new StoryWalk collaboration in our community parks.

The event is truly a fun day for many important causes, and we owe much of its success to the loyal attendees and sponsors who continue to support it year after year!

Stanly Health Foundation Awards \$21,500 in Scholarships for 2025

Jake Dennis

Temitope Bamidele

Addie Barbee

Katelyn Flowers

Caleb Lemons

Kelly Nolasco-Orellana

Anastasiya Saprankova

Eli Toole

Students had two opportunities to apply for scholarships in 2025 from the Stanly Health Foundation to support their studies in healthcare. The Stanly Health Foundation awards the Roy and Lou Hinson Scholarship and the Crook Family Scholarships annually.

The Hinson Scholarship celebrates the late Roy Hinson's forty-one years of dedicated service to the local hospital, and his wife, Lou, who is retired from public education and provided many years of volunteer support to the Roy M. Hinson Cancer Center.

The C.B. Crook Family Scholarship honors the years of philanthropic work by the late C.B. Crook and his wife, Betty.

To be considered for either scholarship, a student must be an Atrium Health Stanly teammate, the dependent of a teammate, or a resident of Stanly or Montgomery Counties and have completed at least half of their degree requirements by the end of the summer 2025 semester with a cumulative GPA of 3.2 or higher. The student must be accepted into a healthcare program of study.

The Stanly Health Foundation Roy and Lou Hinson Scholarship was awarded to Jake Dennis of Albemarle who is working toward his Master of Physician Assistant Studies at Pfeiffer University. He graduated from UNC Chapel Hill and has worked with Stanly EMS prior to pursuing his career as a PA. He is passionate about rural healthcare.

The Stanly Health Foundation C.B. Crook Family Scholarships were awarded to Temitope Bamidele, Addie Barbee, Katelyn Flowers, Caleb Lemons, Kelly Nolasco-Orellana, Anastasiya Saprankova, and Eli Toole.

Temitope Bamidele is pursuing a Master of Science in Nursing degree from Walden University. She is an Atrium Health Stanly teammate working in the behavioral health unit. She would like to become a mental health nurse practitioner and eventually pursue a Doctor of Nursing Practice degree.

Addie Barbee will be attending Stanly Community College this fall to work toward an Associate degree in Radiography. She holds a BS in Exercise Science from UNC Wilmington. Addie enjoys living and working in Stanly County.

Katelyn Flowers is pursuing a BS in Nursing from Pfeiffer University. Her long-term goals include obtaining a Master of Science in Nursing and becoming a flight nurse.

Caleb Lemons attends Stanly Community College and is pursuing an Associate degree in Radiography. He works at Atrium Health Stanly as a Radiologic Technologist Assistant. His future plans include practicing in radiography or radiation therapy in Stanly County.

Kelly Nolasco-Orellana is working toward an Associate degree in Nursing from Cabarrus College of Health Sciences. She has been an Atrium Health Stanly teammate for over 10 years working in the Medical Surgical Unit. She plans to pursue a Bachelor of Science in Nursing and continue to work at Atrium Stanly.

Anastasiya Saprankova attends Pfeiffer University and is pursuing a Bachelor degree in Nursing. She would like to continue her education and become a Certified Registered Nurse Anesthetist eventually.

Eli Toole holds a BS in Exercise Science from Wingate University and is pursuing a Doctor of Physical Therapy at East Carolina University. He enjoys working in a rehabilitation environment and is interested in using exercise to combat injuries and diseases.

STANLY SOCIETY DONORS CONTINUE TO TRANSFORM LOCAL HEALTHCARE

Through the generous support of Stanly Society members, the Stanly Health Foundation has been able to establish a robust endowment, fueling impactful programs and initiatives that improve the lives of our neighbors, families, and friends locally.

As the Foundation continues its journey toward building a healthier future for all, the Stanly Society Committee remains steadfast in its commitment to rallying individuals and couples who share the vision for a thriving community. In the first half of this year, the Stanly Society had the privilege of welcoming the following new and renewing members to its network of philanthropic leaders dedicated to driving positive change. Please join us in thanking:

Rebekah Fairley Ayscue

Skeet & Elizabeth Ayscue

Nadine Bowers

Mike & Deidre Harwood

Rocky & Lisa Hinson

Nick & Lauren Huneycutt

James & Penny Patrick

Donnie & Lisa Poplin

Warren & Renee Rogers

David & Amy Yow

The Stanly Society extends an invitation to you to become a part of this esteemed group. If you're interested in learning more about becoming a member of the Stanly Society and the meaningful ways in which your support can make a difference, please don't hesitate to reach out to Jane Boone at 980-323-4570 or any member of the Stanly Society Committee: Catherine Moeller, Chair; Rich Schaefer, Ellen Snyder, and Ron Burris – all of whom would be delighted to provide you with further information and answer any questions you may have.

Together, let's continue to build a stronger, more resilient community through the power of collective giving. Your generosity has the potential to touch countless lives and create a brighter tomorrow for us all.

“Driving” a healthier future together!

The Foundation’s 2025 President’s Club week was packed with terrific “tees”, perfect putts, and a fantastic finish, welcoming fifty-two new members to the Foundation’s President’s Club (PC)!

Teammates enjoyed treats including boba tea, a super fun and unique candy experience from Palmetto Sweets Co., lunch from Vito’s Pizza and Carolina Smash grilled cheese and topped off the week with Simply Scrumptious homemade ice cream sandwiches! This annual celebration not only recognizes the commitment of our PC contributors but also champions all our AH-Stanly teammates and their dedication to the patients they serve.

The President’s Club is made up of teammates who contribute ½ hour’s pay, per pay period to the Foundation to support programs and projects in our local hospital and community, raising over \$82,000 annually! These donations help fund the free mammogram program, disease management classes, Passport to Health programming in schools and the free Passport Outdoor Program in the summer, and the new, on-campus walking trail – just to name a few. Teammates make a tremendous difference through their generous donations, creating a stronger, healthier community for all.

Teammates enjoy making their favorite candy selections from Palmetto Sweets Co.

Chris Mauldin and Todd Mauldin savor the Simply Scrumptious Ice Cream sandwiches as PC week comes to a close.

Amy Jones, Foundation Finance Officer, and Erin Martin, Director of Radiology, chat over t-shirts and food truck menus; just two of the perks of this year’s PC Week!

Kim McGowen, Development Officer, presents our \$200 cash bonus to Tanya Harris, this year’s top PC member recruiter .

Carleigh Wetmore's Why I Give

I give to SHF because of their dedication to positively impact the health of our community. SHF provides a grant for our diabetes education classes for patients who are unable to attend due to financial barriers. Patients have expressed how thankful they are for the grant as it was the only way they were able to attend classes which helped them to improve their blood sugars. SHF also funds our annual Diabetes Walk and Health Fair, a free community event to celebrate living healthy with diabetes! When giving to SHF there is no question what happens to your donations- it changes lives in Stanly County.
